Superintendent of Streets

- Fee: \$125.00/Permit for Roads OVER 5 (five) Years Construction
- Fee: \$250.00/Permit for Roads with 5 (five) Years and UNDER Construction

When the permit holder cuts the road in any way damages the streets of the Town of Somerset covered by this permit, it is agreed and understood that said road shall be restored to its original condition.

The permit holder, by acceptance of this permit, releases the Town of Somerset from any and all obligations to the permit holder that the Town of Somerset might have and further indemnifies and holds harmless said Town of Somerset from an and all claims emanating therefrom or caused hereby.
