PERMIT TO ENTER STREET DRAIN

Permission is hereby granted to drain clear ground water into the Town of Somerset street drainage system from this property at

No wash water or sewerage effluent shall be allowed to enter the street drain from this property. This notice shall be posted and maintained in a conspicuous place in the basement of property listed.

Reserving, nevertheless, unto the said Town of Somerset, and its successors, the right and easement to lay, maintain, rebuild, renew, repair and replace all sewers, manhole covers, manholes, catch basins, and structures pertaining thereto, cables, wires, poles, conduits and other pipes and services and equipment and appliances of every nature and description now used by the Town of Somerset in the performance of its public functions and existing under, on or over the surface of the streets of said Town of Somerset.

Signed: _____

Superintendent of Streets

If the permit holder cuts the road or in any way damages the streets of the Town of Somerset in making the sewerage entry covered by this permit, it is agreed and understood by the undersigned that said road or street shall be restored to its original condition.

The undersigned, by acceptance of this permit, releases the Town of Somerset from any and all obligations to the undersigned that the Town of Somerset might have in regard to blockage of its drainage system and further indemnifies and holds harmless said Town of Somerset from any and all claims emanating therefrom or caused thereby.
