

**Streets in Subdivisions By-law
Annual Town Meeting
March 10, 1952
Article XXXIXa**

No street or way through land of the subdivider thereof and shown on a “subdivision” or “re-division plan” as defined by Section 81K of Chapter 41 shall be laid out by the Selectmen, the Planning Board or any official or officials having charge of the streets or ways of the Town or accepted by the Town, unless:

- a) such street or way is at least forty (4) feet in width, and**
- b) such street or way is previously constructed and completed to grade in manner satisfactory to the Selectmen.**

A true copy attest:

Dolores Berge, Town Clerk
