Pg 7) Yard Waste and Bulk Pick Up Schedule

In July of 1993, the town adopted a **mandatory Recycling By-law** and this law must be observed by all the citizens of Somerset. If your trash is not separated as indicated it can not be collected by the Town.

The trash is a pay-as-you-throw system and, as its name implies, you pay only for the amount of trash that you actually throw away. This means that the more you reduce, reuse and/or recycle, the lower your trash disposal cost will be. Please read the following information and save for future reference. It will explain how the PAY-PER-BAG program works and how to recycle your trash. **Here's How It Works:**

Each homeowner in the Town of Somerset must buy specially marked trash bags, which are available at various locations throughout the town (most convenient stores, gas stations and markets sell the bags).

TRASH:

Large (white) 33-gallon trash bags = \$ 2.50 each / Small (yellow) 16-gallon trash bags = \$1.25 each. Bags may be purchased by the roll also. (5 bags per roll). The price of the bag is based on the Town's actual cost to purchase the bag and the cost of the town's collection and disposal of trash, yard waste, recyclables and white goods.

On the day of pickup at your home, please make sure that the filled trash **bags are tied** at the top. Please set them out at the curb **before 7:00 AM** along with your recycling bin. The weight of trash cannot exceed **50 lbs.** This includes individual Town bags or a barrel containing a Town bag or multiple Town bags. If you choose to leave the Town bag(s) in your barrel, the barrel plus contents should not exceed 50 lbs. The Workers will NOT reach into barrels for contents. Please call **Republic Service at 508-676-1091** if you need further assistance or in cases you feel the Workers may have missed your residence.

RECYCLABLES:

Collection vehicles have two compartments and will pick up both trash and recycling. One **recycling bin** will be provided for a **new** dwelling free of charge. Bins must be used to put your recyclable items at the curbside. **\$8.50 to replace bins** if lost or destroyed. Additional or replacement bins can be purchased at the Somerset Highway Dept. Other containers up to 36 gallon capacity may be used such as milk crates, but the total weight shall not exceed 50 lbs. Tin, glass and plastics #1 - #7 are accepted. No wax lined paper. Cardboard must be flattened, cut and ties in bundles no larger than 3 feet.

YARD WASTE:

Yard waste (leaves, grass, brush) are to be separated and set out in unlined trashcans, paper bags or special "earth bags". Plastic bags containing yard waste will not be picked up and containers shall not be larger than 32 gallons or exceed 60 lbs. No brush in excess of 1/2" diameter shall be placed in approved containers or bags. Brush will be picked up if it does not exceed three (3") inches in diameter and four (4') feet in length and must be secured in manageable bundles not to exceed 60lbs. Please do not use tape (duct tape) to secure bundles. This jams the machines. Twine or rope is okay. Removal of brush/branches, stumps larger than (3") will not be available through Republic Service or the Town of Somerset. Yard waste will not be picked up during the winter months. Please refer to schedule.

LARGE BULK ITEMS (couch, chair, table) and WHITE GOODS (stove, washer, etc.)

These items are not collected on the same day that your trash is collected. These items are collected **by appointment** and must be out on the curbside by 7:00AM of the schedule collection day of the month. (See schedule.) Appointments can be made by calling

Republic Service Bulk Pick-up Line at 800-825-3260. A fee is applicable for this service and can be paid by credit card or by check to Republic Service. See rate schedule.

Rugs should be rolled and tied. They cannot be larger than 3' or heavier than 40lbs. They will not pick up televisions and computer monitors. Televisions and computer monitors may be brought to the Somerset Highway Department for disposal on Fridays between 8:00AM TO 3PM \$10.00 each.

*****Fridays only when the Transfer Station is closed, otherwise bring during normal Transfer Station hours*****

Residents can also take bulk items, white goods, trash (in town approved bags) and yard waste (NO recyclables or cardboard boxes) to the **Somerset Highway Department at 1263 Brayton Pt. Rd.** You must show proof of residency and purchase a punch-card at the Town Clerk's Office or at the Highway Dept. They will be open on the 1st.
