Page 7: EZ Disposal Yard Waste and Bulk Pick Up Schedule 2026

In July of 1993, the town adopted a **mandatory Recycling By-law** and this law must be observed by all the citizens of Somerset. If your trash is not separated as indicated, it cannot be collected by the Town.

The trash is a pay-as-you-throw system and, as its name implies, you pay only for the amount of trash that you actually throw away. This means that the more you reduce, reuse and/or recycle, the lower your trash disposal cost will be. Please read the following information and save for future reference. It will explain how the PAY-PER-BAG program works and how to recycle your trash.

Here's How It Works:

Each homeowner in the Town of Somerset must buy specially marked trash bags, which are available at various locations throughout the town (most convenient stores, gas stations and markets sell the bags).

TRASH:

Large (white) 33-gallon trash bags = \$ 3.50 each / Small (yellow) 16-gallon trash bags = \$2.25 each. Bags may be purchased by the roll also. (5 bags per roll). The price of the bag is based on the Town's actual cost to purchase the bag and the cost of the town's collection and disposal of trash, yard waste, recyclables and white goods.

On the day of pickup at your home, please make sure that the filled trash **bags are tied** at the top. Please set them out at the curb **before 7:00 AM** along with your recycling bin. ****Please do not put trash bags on top of the Recycling Bin. They will not be picked up. **** The weight of trash cannot exceed **50 lbs.** Please call **EZ Disposal at (781) 233-2211** or by email : team@ezdisposalrecycling.com, if you need further assistance or in case you feel the workers may have missed your residence.

Effective November 1st, 2022 textiles will no longer be picked up curbside by Simple Recycling or EZ Disposal. Any textiles should be disposed in supporting clothing bins located throughout the town.

A limited quantity of compost bins is available for purchase at the Highway Department. Each compost bin has a fee of \$30.00 to purchase. Please contact the Highway Department at 508-646-2835 for more information.

RECYCLABLES:

Recycling bins are emptied on the same day as your regular trash pickup. One **recycling bin** will be provided for a **new** dwelling free of charge. Replacement or additional recycling bins are \$50.00 with checks to be made to "The Town of Somerset" and will be dropped off at resident's household. Please call the Highway Department at (508) 646-2835 to request a new bin. Bins must be used to put your recyclable items at the curbside. Please see the enclosed list of acceptable recycling materials and non-acceptable recycling material. For information on Recycling, please call **EZ Disposal at (781) 233-2211**. ***If you bin is damaged and needs repair please call the Somerset Highway Department at (508) 646-2835.**

YARD WASTE:

Yard waste (leaves, grass, brush) are to be separated and set out in unlined trashcans (**ONLY 32 GALLON PLASTIC BARELLS WITH HANDLES WILL BE ALLOWED**), paper bags or special "earth bags". Bags containing yard waste will not be picked up and containers shall not be larger than 32 gallons or exceed 50 lbs. Yard Waste should not be exceeding top of barrel. No brush in excess of 1/2" diameter shall be placed in approved containers or bags. Brush will be picked up if it does not exceed three (3") inches in diameter and three (3') feet in length and must be secured in manageable bundles not to exceed 50lbs. Please do not use tape (duct tape) to secure bundles. This jams the machines. Twine or rope is okay. Removal of brush/branches, stumps larger than (3") will not be available through EZ Disposal or the Town of Somerset. Yard waste will not be picked up during the winter months. Please refer to schedule.

THERE WILL BE NOW BE A LIMIT OF 10-YARD WASTE RECETACLES PER HOUSEHOLD PER YARD WASTE WEEK. (EX: 5-YARD WASTE BAGS AND 5-YARD WASTE BARRELS.)

LARGE BULK ITEMS (couch, chair, table) and WHITE GOODS (stove, washer, etc.)

These items are **not** collected on the same day that your trash is collected. These items are collected **by appointment only** and must be out on the curbside by 7:00AM of the schedule collection day of the month. Appointments can be made by calling **EZ Disposal at (781) 233-2211**. A fee is applicable for this service and details will be provided by **EZ Disposal at (781) 233-2211**.

Televisions, computer, monitors, mattresses, box springs, and rugs are not picked up curbside. Televisions computer monitors, and mattresses/box springs may be brought to the Somerset Highway Department Transfer Station.

Please be advised from April to November items can only be dropped off at the Transfer Station during the specific dates found on page 6..
