## HYDRANT FLUSHING NOTICE

**SOMERSET WATER DEPARTMENT WILL BE FLUSHING TO CLEAN THE WATER MAINS OF SEDIMENT DURING THE FOLLOWING TIMES:**

**DATES: Tuesday, May 28 through Friday, May 31, 2024**

**AREA: Riverside Avenue and County Street, starting at Buffinton Street and working north.**

**TIME: 9:00 AM – 4:00 PM**

**PLEASE NOTE: THIS PIPE CLEANING OPERATION COULD RESULT IN DISCOLORED WATER AND/OR LOSS OF WATER, OR WATER PRESSURE!**

The Somerset Water Department performs water main flushing to clear water mains of sediment to improve water quality, to reduce water age, and to test fire hydrants. We sincerely apologize for any inconvenience this may cause.
