

YOUR ENROLLMENT AS A VOTER

When you register to vote, you may choose to enroll in a political party or political designation, or you may choose to remain “Unenrolled,” which is commonly referred to as independent.

Choosing to Enroll in a Political Party: The current recognized political parties in Massachusetts are:

Democratic Party (D)
Republican Party (R)
Libertarian Party (L)

If you enroll in one of the above parties, you may vote only in that party’s primary. Enrollment in a political party does not affect your right to vote in a general election. In a general election, all voters receive the same ballot and vote for the candidates of their choice, regardless of party enrollment.

Choosing No Enrollment: If you do not wish to enroll in any party or political designation, choose “No Party (Unenrolled)” on the voter registration form. This is commonly referred to as “independent.”

If you do not enroll in a party, you are still eligible vote in state and presidential primaries by choosing a party ballot. You will remain Unenrolled after voting in a primary.
