In July of 1993, the town adopted a **mandatory Recycling By-law** and this law must be observed by all the citizens of Somerset. If your trash is not separated as indicated it can not be collected by the Town.

The trash is a pay-as-you-throw system and, as its name implies, you pay only for the amount of trash that you actually throw away. This means that the more you reduce, reuse and/or recycle, the lower your trash disposal cost will be. Please read the following information and save for future reference. It will explain how the PAY-PER-BAG program works and how to recycle your trash.

Here's How It Works:

Each homeowner in the Town of Somerset must buy specially marked trash bags, which are available at various locations throughout the town (most convenient stores, gas stations and markets sell the bags).

TRASH:

Large (white) 33-gallon trash bags = \$ 2.50 each / Small (yellow) 24-gallon trash bags = \$1.25 each. Bags may be purchased by the roll also. (5 bags per roll). The price of the bag is based on the Town's actual cost to purchase the bag and the cost of the town's collection and disposal of trash, yard waste, recyclables and white goods.

On the day of pickup at your home, please make sure that the filled trash **bags are tied** at the top. Please set them out at the curb **before 7:00 AM** along with your recycling bin. The weight of trash cannot exceed **60 lbs.** This includes individual Town bags or a barrel containing a Town bag or multiple Town bags. If you choose to leave the Town bag(s) in your barrel, the barrel plus contents should not exceed 60 lbs. The Workers will NOT reach into barrels for contents. Please call **Howland Disposal 508-746-9600** if you need further assistance or in cases you feel the Workers may have missed your residence.

RECYCLABLES:

Collection vehicles have an automated lift that will pick up the 95 gal recyclable cart. Place cart two feet away from other object to allow room for mechanical pick up. Place cart with wheels facing house. Additional carts can be purchased for **\$49.00 each.** Information regarding lost or damaged carts please contact **Howland Disposal directly at 508-746-9600.**

YARD WASTE:

Yard waste (leaves, grass, brush) are to be separated and set out in unlined trashcans, paper bags or special "earth bags". Plastic bags containing yard waste will not be picked up and containers shall not be larger than 35 gallons or exceed 60 lbs. All brush must be tied and bundled. No brush in excess of 3" diameter and three feet (3') in length and must be secured in manageable bundles not to exceed 60lbs. Please do not use tape (duct tape) to secure bundles. This jams the machines. Twine or rope is okay. Please refer to schedule for yard waste pick up.

LARGE BULK ITEMS (couch, chair, table) and WHITE GOODS (stove, washer, etc.)

These items are not collected on the same day that your trash is collected. These items are collected **by appointment** and must be out on the curbside by 7:00AM of the schedule collection day of the month. (See schedule.) A fee is applicable for this service. Appointments can be made by calling **Howland Disposal Bulk Pick-up Line 508-746-9600**

Rugs should be rolled and tied. They cannot be larger than 3' or heavier than 40lbs. They will not pick up televisions and computer monitors. Televisions and computer monitors may be brought to the Somerset Highway Department for disposal on Fridays between 8:00AM TO 3PM **ONLY** when the Transfer Station season ends. Otherwise, bring during normal Transfer Station hours (see attached schedule).

Residents can also take bulk items, white goods, trash (in town approved bags) and yard waste (NO recyclables or cardboard boxes) to the Transfer Station at the **Somerset Highway Department at 1263 Brayton Pt. Rd.** You must show proof of residency and purchase a punch-card at the Highway Dept. They will be open on the 1st Saturday & 3rd Wednesday of APRIL – NOVEMBER; 8:00AM TO 12:00 NOON.

Please call the **Highway Dept. at 508-646-2835** if you have further questions.

Town bags (cannot exceed 60 pounds)
Recycling Collection Service:

Somerset to roll out recycling carts, replacing open bins
Beginning in July of 2018, the Town of Somerset will
implement a convenient, exciting method of recycling collection
– the automated system.

Carts should be wheeled to the curb and set with the lid
facing the street by 7:00 AM on the day of collection, and
after collection, must be stored out of view. 96 gallon
wheeled cart(s) will be delivered between June 1st and June
15th. Do not use your cart(s) until the start date of July 2nd
2018. The waste hauler will not be equipped to handle these
carts until the official start date of July 2nd 2018. Carts
placed out before July 2nd will not be collected.

Carts are the property of the Town of Somerset and should
not be removed from the property to which they are
assigned. Report stolen or vandalized carts to Howland
Disposal at 508-746-9600. Cart Repair: Please call Howland
Disposal at 508-746-9600. A cart technician will be
scheduled to inspect the cart for possible repair or
replacement. Carts damaged from misuse or neglect will be
repaired or replaced at the user's expense.
